Looking for student helper (VWL)

The Institute for Applied Microeconomics is looking for a student helper on a 10-12h/week basis until July 2016, maybe for longer.

Main tasks:
- Working with Stata or R or Matlab
- Working with LaTeX, optional
- Programming
- Working with datasets
- Assisting in research projects

Required skills:
- Reliability, flexibility and self-dependence
- Interest in research
- Very good language skills (English and German)
- Very good windows-office-skills
- Experienced in programming (or willing to learn)
- Stata-skills (or willing to learn)
- LaTeX-skills (or willing to learn)
- Possibly experienced in working with datasets

The compensation will be 8.50 Euro per hour and is based on the guidelines for employment and compensation for student helpers of the University of Bonn.

For application please send a short statement, along with your CV as well as your Transcript of Record to Andrea Reykers (reykers@uni-bonn.de).

Deadline is: Monday, 25.1.2016.
